That's a Wrap on a Record Year!

You did it! With your support, 95 Tutoring pairs worked hard every week at three sites in Dorchester and Roxbury this school year. Through the 1-on-1 support of a trusted tutor, students are achieving their goals.

Community Celebration
At the EVkids year-end event in 2015, Moise Rainford celebrated his high school graduation. This year, as he graduates from UMass Dartmouth, he returned to the EVkids Community Celebration as the alumni speaker to inspire current students and show them what they can achieve if they keep trying. Among his audience were EVkids families, Board members, and tutees and tutors moving on from middle school, high school, and college. Thanks to you, these brand new alumni know that they can always count on the EVkids community of support.

Reunited and Feels So Good

EVkids alumni and friends gathered this spring at reunions in New York City and Washington DC, to share stories and marvel at how much the program has grown in the last few years. Thanks to Jonathan Lavy ('01), Marie Scott ('02), Scott Murphy ('92), and Jen Hogan for hosting the reunions.
