Campers Soar To the Top

At the start of each Camp session, EVkids co-founder Marie-Claude Thompson tells her famous Eagle Story: an eagle egg is taken from its nest and raised as a chicken. The eagle goes its whole life as a chicken, not knowing that it can soar. EVkids campers spend their time at Camp discovering that they too have what it takes to fly like an eagle. Teen Zakia (right) tested her wings while practicing a new passion for photography. You can help more youth like Zakia realize their dreams as they soar to the top!

Time Flies When You're Having Fun

On the last day of Camp, campers spent time under the sun and stars playing volleyball, ping-pong, and roasting marshmallows. During their time at camp, youth learned to make pizza from scratch with vegetables they picked themselves, sing folk songs, and work together as a team. Even though Camp is over for the summer, your support will ensure that campers are singing songs and making pizza for years to come!
